

GÜMÜŞHANE UNIVERSITY

Guide for International Visitors

WELCOME TO GÜMÜŞHANE UNIVERSITY

Dear Students,

Founded in 2008, Gümüşhane University is confidently moving forward with values, principles, and understanding of science that prioritize quality. It promises a student-centered campus with scientific, cultural, and social facilities. All our efforts are to ensure our students' qualification and happiness, and to create a free, original and universal learning and interaction environment for them.

My belief is that you will find safety, sincerity and warmth; accumulate beautiful memories; and graduate as well-equipped individuals. I would like you to know that each of our students is a member of our dynamic and large family and I invite you precious young people to join us.

Prof. Dr. Halil İbrahim ZEYBEK
Rector

► AGREEMENTS

▶ CAMPUS FACILITIES

Library

The library offers spaces to study quietly or work in groups. Besides traditional lending services (books and other printed documents), the library also offers a wide range of electronic resources and databases.

Accommodation, Food and Shops

There is a guesthouse with total 66 bed space (2 suit room, 4 double room, 22 twin room, 4 quad room) within the Social Facilities Complex (SFC). For visitors who prefer out-of-campus accommodation, there are several hotels within the city center. There are a number of state/private dormitories located nearby the campus that our students may choose among.

SFC also provides many other important services to our students, staff and visitors. There are dining halls, a restaurant and a café, which offer highly delicious and affordable food & beverage services. Within the complex, there are also a café, a supermarket, a barber-shop, a stationary shop, and a tailor-shop to make campus life more convenient.

Sports

Students and visitors can make use of the many sports fields located on campus. Our campus offers an indoor semi-olympic pool, an indoor sports hall, a variety of different sports fields such as basketball, volleyball, tennis, and archery courts in addition to a fitness center with a lot of options and sauna.
